# Transitory/ Transitory Art

tran·si·to·ry

/'tranzə ,tôrē, 'tranzə ,tôrē/

*adjective*

not permanent.

"transitory periods of medieval greatness"

Transitory public art projects support artists in conducting experimental or contemporary interventions with the public realm, and can include for example, online or virtual projects, radio art, light art, video projections, performance, etc. The short-term nature of these projects helps to develop a greater understanding of public art and acceptance and demand for permanent public artworks. This program will stimulate dialogue and new ways of thinking about our

**Transitory Art** is a concept that responds to the necessity to map out a specific landscape of creative and research practices that responds to the contexts and challenges proposed by Globalization.

# Aesthetic Questions

- What other forms of Transitory Art can you think of?
- Is Transitory Art less valuable than art that costs money?
- Can Transitory Art affect you as much as something you might see in a museum?
